About me

After completing my university studies in economics, I obtained my federal diploma as a tax expert in Zurich in 2013. I have been working at Fiduciaria Mega since 2011 and became a substitute director in 2020. Previously, I worked in the tax department of Ernst & Young in Lugano.

In my professional activity, I mainly deal with national and international tax advice to companies and individuals, both in their ordinary and extraordinary practices. I also have extensive experience in VAT consulting and management.

Areas of activity

- Tax advice, tax agreements / tax rulings, procedure for natural and legal persons
- National and international tax law, withholding tax and federal stamp duty
- National and international VAT consultancy, VAT management and VAT tax representation
- Tax advice in real estate transactions
- Reorganisations / Restructuring (M&A)

Professional experience

- Substitute director Fiduciaria Mega SA (since 2020)
- Joined Fiduciaria Mega SA, Lugano (2011)
