### About me

After completing my university studies in 1994, I worked in the auditing sector in a managerial capacity and qualified as a certified public accountant in 2001. After gaining significant experience in auditing, with a focus on the industrial sector and pension foundations, I started my activity in Fiduciaria Mega in 2010 as a business consultant. My main focus is on advising companies and entrepreneurs in the field of administrative and financial management as well as taxation. I assist clients in extraordinary transactions as well as in day-to-day business. I am active in specialised consultancy for the non-profit sector.

### Areas of activity

- Administrative and financial advice to companies
- Corporate and tax advice for extraordinary transactions
- Preparation of budgets and financial plans (day-to-day management and relations with financial backers)
- Advice on closing accounts
- Outsourcing of administrative services (Accounting, Personnel, VAT)
- Consolidated annual accounts
- Annual accounts by non-profit sector
