

Group overview 2025

Share and solve

We share professionalism,
enthusiasm and expertise for your
peace of mind.
We offer clear solutions and go
the extra mile.
We have been a point of reference
for national and international clients
in Ticino since 1969.

Sustainability

Sustainability is the guiding principle for everything Fiduciaria Mega does. It is the keystone for all six of its values and is defined as follows:
“Sustainability underpins our values, and means commitment to our employees, our clients, the environment and society.”

Values

Continuity

We have provided professional continuity and stable relationships for more than 50 years.

Customer centrality

Our clients are at the heart of everything we do: we anticipate their needs and offer bespoke solutions.

Excellence

We take care of details, constantly striving to improve our work and strengthen our relationships. Our team is highly experienced, innovative and professional.

Importance of employees

Our employees' wellbeing and professional development are paramount to us, which is why we give them trust, autonomy and responsibility.

Independence

We act independently, guided solely by our professionalism and our judgment.

Respect

We respect people, laws, ethical standards and social norms. We are committed to our region and its institutions, and care about our reputation.

Beyond consulting.
A matter of trust.

For more than 50 years, we have been the trusted company of choice in Ticino for entrepreneurs, companies, public institutions and private clients.

We are active throughout the region, with offices in Chiasso, Lugano and Mendrisio, specialising in areas of tax, business, accounting and legal consultancy as well as auditing.

We rely on professionalism and expertise to offer the best solutions to entrepreneurs, private persons and companies.
